# 1. A large mobilisation

## 2. The core messages

**Copper  
reapproval**

**Smoothing mechanism**

**Research**

**Technical advisory  
for winegrowers**

**European  
evaluation  
model for  
copper**

# 3. Towards a Copper National Action Plan

**Objective:** Adoption of a national strategy to support organic winegrowers facing challenges due to the evolution of the regulation on copper.

## **Content of the Copper National Action Plan:**

- Research: fundamental and applied
- Monitoring: of the practices (use of copper), of the risks and of the impact of copper
- Development of alternatives:
  - Favorable regulatory framework,
  - Support their use/development,
  - Develop quality production and supply chain.
- Dissemination and exchange of knowledge.

## 4. Next steps

- **Meeting with ministries:** to come to an official commitment of France with a National Action Plan
- At the moment, no official statement...
